

VISION BOARD WORKSHOP

The beginning of a New Year is a great time to set New Intentions for yourself.

What would you like to see your life look like? What images represent your dreams, intentions, what represents the full potential of who you are? What words speak to your heart and inspire you to move forward and take action? Bring them to life, by creating a vision board, so that you will be reminded of your dreams and intentions daily. Get clear about your what inspires you, your goals, your hopes and your vision for your life. Make the connection to turn your dreams into reality by seeing it every day in the vision board you create. All materials are provided, however you are still welcome to bring magazines, pictures or products of your own that inspire you.
